

**New ways to
make a difference
without donating capital.**

ABOUT US

Our Founder envisioned promoting innovative methods that create significant social impact without relying on direct donations or depleting savings. We aim to enhance acts of generosity and kindness, achieving meaningful outcomes that inspire and emotionally engage those who value these contributions.

Our approach represents a new era in philanthropy, offering donors smarter ways to give more altruistically without affecting their savings or requiring direct debits. Liie Mayfair Bonds stand at the forefront of this movement, driving greater value and positively impacting lives through strategic distribution.

OUR MISSION

Our mission is to create opportunities for the public and businesses to join a community of like-minded individuals—Liie Mayfair investors—who believe in the importance and value of empowering innovative ways to make a difference..

CORE VALUES

Create impactful and known outcomes for specific charitable purposes or for the general community good.

OUR SERVICE

We create Bond Certificates for a period of 1,3 or 5 years. The financial amount from fifty pounds upwards. A Bond capital is traded and 100% of the net gain is distributed to a project of your choice. At the end of the term the capital is returned.

WHY CHOOSE US

Our purpose is to facilitate your positive giving experience in ways that meet increased social good outcomes.

*Liie Mayfair is a not for profit organisation
we give 100% of our profits away to help
make a difference.*
